

INFORMATION AND EDUCATION

- Create an educational pamphlet on chart/map reading and develop a loop video to be played at marinas, boat dealers, etc.
- Increase Boat/Water safety education efforts.
- Find innovative ways to educate the public about Lake Barkley and boating safety.
- Explore alternate channels to educate boaters outside the classroom especially transient boaters.
- Expand pamphlet distribution to hotels, restaurants, tourism, offices, and parks.
- Develop a way to keep the public informed and updated about changing lake conditions and hazards.
- Explore National Clean Boating Campaign events.
